## Get involved with Fox Cities Greenways

Fox Cities Greenways, Inc. is a nonprofit organization founded in 1995 and funded by annual membership dues, grants, and donations. The organization formed in response to a growing need for trails and greenspaces in the rapidly developing Fox Cities region of Wisconsin. Our mission is foster the development and preservation of trails and greenways in our community. With your help we can:

- Develop and protect environmental corridors for future generations
- Provide safe travel routes for bikes & pedestrians
- Encourage environmental planning and trail development
- Expand recreational opportunities on the Fox Cities Waterways
