## **Use safe speeds, stay to the right, pass on the left.**

Announce your intentions to pass by ringing a bell or simply saying "hello." Plan for the unpredictable movement of others.

## **Stay on the trail.**

Please respect property owners who have welcomed us, no trespassing, no stopping on the trail. Step off for breaks.

## **Teach your kids and pets.**

Keep them close and pick up waste. For pets, please follow trail rules and leash laws.

## **Be alert. It's better to be safe than right.**

Trail crossings are not always obvious to other road users. Be aware of your surroundings; if using headphones, keep volume low or use one ear.

## **Know and follow the rules.**

New trail users need time to learn best practices, be a friend to the community, a trail pass is required, buy a trail pass; funds help maintain and build new trails.

## **Have fun and make the trail experience positive.**

The happier we all are, the more people will use trails.
